Dear Mr And Schumacher

On behalf of my fellow students here at Mpalapata
school, I would like to thank you for your donation
of money towards purchasing books for our school library.

This has greatly promoted the culture of reading
different books at this school. And time is also
spent wisely in this library.

Because of this great achievement, I write to
convey my sincerely thanks to you and the whole
family on behalf of my fellow students.

Wishing you all the best.

TIJANJANE GUMBI (STUDENT)
