Dear Sir and Madam,

### RE: ACKNOWLEDGEMENT OF DONATION RECEIVED

On behalf of the beneficiaries of the Stephanos Outreach Adoption Program (SOAP), I would like to thank you for the donation, amounting to more than €4.900,- we received from you for the purchase of goats and farm inputs.

This donation has been used to buy goats and farm inputs for the beneficiaries of the project. Our mission and goals could not be accomplished without the support you rendered to us. Your donation came at the right time and we assure you that it has been used accordingly to uplift the lives of the orphans and vulnerable children.

May God enable you to continue your spirit of sharing with the needy, for the betterment of the vulnerable people in Malawi.

Please find attached some pictures of the implemented projects.

With kind regards,
