**RE: ACKNOWLEDGEMENT OF RECEIPT OF DONATION**

I, am hereby acknowledging receipt of sewing equipment that you donated to Munyoro Secondary school.

I would like to express my most sincere gratitude and thankfulness for the generous donation. This donation will go a long way in improving the teaching and leaning of Fashion and Fabrics in the school. The timeous donation will also help equip our students with the much needed technical and vocational skills that will anable them to become self employed in future at a time when jobs are hard to come by in Zimbabwe after leaving school.

Once again let me thank you for the donation and we promise to jealously guard and look after them and we will keep you informed of all the progress , developments and benefits to the students and teachers and community at large.

Yours faithfully

Mr Washington Pfupajena (Headmaster Munyoro secondary)
